### EXPERIENCE

#### In The Game Network

Segment Producer | January 2018 - May 2018

- Filmed and produced short form and long form sports stories
- Served as production support in positions as anchor, reporter, floor manager, studio camera operator, audio manager, and teleprompter
- Interviewed athletes on-camera for content

#### Penn State Intercollegiate Athletics

Audio/Visual Production Assistant | Sept 2017 - May 2018

- Provided production support for over 30 live sporting games in positions including: camera operator, replay operator, clip/playback, graphics/chyron, robotic camera operator, utility, and scoreboard keeper
- Assisted in set-up and strike of cameras and other on-site equipment

#### Center Focus

Reporter | Jan 2018- May 2018

- Pitched story ideas to staff, coordinate interviews, travel to on site locations and film on camera stand ups
- Worked closely with producers to write news packages and record anchor studio lead ins, tags, and green screen shots

#### RISE Magazine

Editor | Aug 2016 - May 2018

- Appointed RISE Magazine editor for 2017-2018, responsible for eight staff writers, assign news stories, pitch ideas to editorial staff and manage content on website
- Reported news as a staff writer, covered events, conducted interviews and wrote over 60 articles on a tight weekly deadline
- Photographed State College and Penn State events

#### Project Vive

Strategic Communications Intern | May-Aug 2017

- Responsible for filming and editing videos, and curating graphic content for online promotion, campaigns and social media platforms
- Wrote multiple grant applications; one of which awarded the company \$100,000 from Cisco Global Problem Solvers
- Social media manager for Twitter, Facebook, Instagram, and YouTube; monitored and posted on blogs and social networks
