EXPERIENCE

NewsNation Chicago, IL — Field Producer

September 2023 - Present

-Oversees field crew operations nationwide; establishing liveness locations, communicating with teams in-studio, and supervising video shoots

-Produces content for story coverage by developing pitches, conducting interviews, clearing UGC, shooting video and writing scripts for correspondents

-Collaborates with other departments such as Digital and Promotions to ensure maximum exposure of content

Line Producer, 'NewsNation Now with Nichole Berlie'

January 2022 - August 2023

-Responsible for building show rundown and deciding story coverage for the day

-Ran point from the control room during live broadcasts and breaking news

-Managed workflow for team of Segment Producers, Associate Producers and Writers

-Wrote teases and show opens

Associate Producer, 'NewsNation: Rush Hour'

July 2021 - January 2022

-Executed 2-3 segments daily for NewsNation correspondents, affiliate reporters and guests

-Worked with talent, editors and zone managers to produce original story packages; assisted in interviewing, writing, and newsgathering

Zone Manager, Southeast Region

June 2020 - July 2021

-Oversaw acquisition of UGC and affiliate content from dozens of Nexstar stations, ensuring timely delivery of elements

-Researched and pitched story ideas for Miami and Atlanta correspondents

-Worked closely with Zone EP and other senior management to plan coverage for major events such as elections, trials and protests

WGN-TV Chicago, IL — Per Diem News Writer/Producer

APRIL 2019 - June 2020

-Wrote and copy edited scripts, teases and video for shows and topicals

- Produced in-studio live shots for reporters, including writing, graphics and video elements

-Coordinated live breaking news and special event coverage with other departments to ensure swift and streamlined on-air coverage
