## Multimedia Journalist

## Summary

Ambitious multimedia journalist with 3+ years of experience in multi-platform reporting, digital journalism, broadcast production, and visual storytelling. Skilled in newsgathering, scriptwriting, video editing, and post-production for live and online audiences. Seeking a journalism role to apply leadership, reporting, and multimedia production expertise to deliver engaging, impactful news content across platforms.

## Professional Experience

### Freelance Social Media Reporter

May 2026 - Present

#### QBurgh

- Acts as an on-camera reporter and editor for QBurgh's social media, covering events across Pittsburgh.

### Newsroom Production Assistant

August 2025 - December 2025

#### 90.5 WESA

- Served as a broadcast journalist for radio news, producing original on-air and digital content.
- Reported, wrote, photographed, and edited news stories under deadline for live broadcasts and web publication.

### Editorial Intern

May 2025 - August 2025

#### Trib Total Media

- Worked as a print journalist for TribLIVE, covering the Alle-Kiski area with a focus on local news reporting.
- Wrote and edited breaking news, feature, and enterprise stories while meeting daily deadlines.
- Regularly pitched original, locally driven story ideas and contributed multimedia and video content for digital publication.

### Multimedia Intern

September 2024 - March 2025

#### Pittsburgh Media Partnership Newsroom

- Pitched and produced multimedia journalism, including photo and video assignments, to support PMP Newsroom reporting distributed across multiple publications.
- Edited video content and designed motion graphics for Instagram Reels, increasing audience engagement on social platforms.

### News Reporter

August 2022 - December 2025

#### Point Park University's U-View Television

- Wrote broadcast style scripts, reported, and edited news packages around Pittsburgh using Sony, Nikon, and Canon cameras.
